To all your abilities, now add the ability to save.

To all of your abilities, now add the ability to save. The Achieving a Better Life Experience Act (ABLE) of 2014 allows individuals with disabilities and their families to save for many daily, disability-related expenses on a *tax-deferred* basis – without limiting their ability to benefit from supplemental security income (SSI), Medicaid and other federal programs.

## A message from the Treasurer:

“NC ABLE accounts allow people with disabilities, and those who love and care for them, the chance to save and invest their own money – something that, before now, meant potentially giving up critically needed benefits. Along with the NC ABLE Program Board of Trustees and disability advocates across the state, we are dedicated to providing a high-quality program that serves the needs of people with disabilities and their families.”

– Dale R. Folwell, CPA  
North Carolina State Treasurer

# Making saving easier helps make life better.

ABLE savings may grow and be withdrawn tax-free, provided that savings are used for qualified, disability-related expenses.

## Plan highlights

### Special tax advantages

- Earnings on your investments are federally tax-deferred, maximizing your return.
- Withdrawals are federally tax-free, if used for qualified disability expenses.<sup>1</sup>

### No impact on current benefits

- Balances of \$100,000 or less are excluded from the SSI resource limit; only the amount OVER \$100,000 is counted against your SSI resource limit, whether alone or in combination with other resources.
- If you exceed your SSI resource limit, your SSI benefits will be suspended until the ABLE account balance no longer exceeds your resource limit.<sup>2</sup>
- You'll continue to be eligible for Medicaid, regardless of your account balance.<sup>3</sup>

### User-friendly

- Open an account online with as little as \$25.
- Access your account by phone or online 24/7 from a PC, tablet or mobile device.
- Select the checking option to easily access your funds via a debit card.
- Anyone can contribute to your account. With the easy-to-use Ugift® feature, friends, family - and even members of the public - can give meaningful gifts too!

### High maximums

Contribute up to \$15,000 per year. Account balance limit: \$450,000.

### Low fees

The annualized investment costs on assets per investment option range from 0.34% to 0.37%, depending on which investment option(s) you select. The account is charged an account maintenance fee of \$15 per quarter. This fee can be discounted by \$3.75 per quarter if you select email delivery for statements and confirmations.

If you are invested in the checking option, an additional monthly service charge of \$2 will be applied to your account. This fee is waived if your account has an average daily balance over \$250 or if you select electronic statement delivery with Fifth Third Bank.

<sup>1</sup>Earnings on non-qualified withdrawals may be subject to federal income tax and a 10% federal penalty tax, as well as applicable state and local income taxes.

<sup>2</sup>Please see the Plan Disclosure Documents for complete details on SSI suspension and any requirements on when you use the funds to prevent suspension of benefits.

<sup>3</sup>To the extent provided in subsection 26 U.S.C. §529A(f) upon the death of the Account Owner, the Member State shall have a claim for payment from the Account Owner in an amount equal to the total medical assistance paid for the Account Owner after the establishment of the account. The Member State may file its claim for repayment from the account with the State Treasurer within 60 days of receiving notice from the State Treasurer of the death of the Account Owner. Any remaining funds in the Account Owner's Account shall be distributed as provided in the Plan Disclosure Documents or distributed to the Account Owner's estate if no other designation is made.

## Who's eligible?

You can open the account for yourself, or an authorized individual can open one on your behalf, if:

- Your disability was present before the age of 26; and
- One of the following is true:
  - You experience blindness as determined by the Social Security Act; or
  - You are entitled to receive Social Security disability benefits (SSI or SSDI) or have a similarly severe disability and possess a written diagnosis from a licensed physician.

*(To open an account you must certify that you have a physical or mental disability that can be expected to last for at least a year or can cause death; or you are blind; or your disability is included on the Social Security Administration's List of Compassionate Allowances Conditions; and such blindness or disability occurred before age 26.)*

### **What are Qualified Disability Expenses?**

These are any expenses that (1) are incurred at a time when the Account Owner is an Eligible Individual, (2) relate to the blindness or disability of the Account Owner, and (3) are for the benefit of the Account Owner in maintaining or improving his or her health, independence or quality of life. Qualified expenses include, but are not limited to:

- Education
- Health and wellness
- Housing
- Transportation
- Legal fees
- Financial management
- Employment training and support
- Assistive technology
- Personal support services
- Oversight and monitoring
- Funeral and burial expenses
- Basic living expenses

*(When savings are used for non-qualified expenses, the earnings portion of the withdrawal will be treated as income, so it will be taxed at the account owner's tax rate, and will be subject to a 10% federal tax penalty and applicable state taxes.)*

# Frequently Asked Questions

## **Do I have to prove eligibility?**

No. To open an account, you must certify that you have a physical or mental disability that can be expected to last for at least a year or can cause death; or you are blind; or your disability is included on the Social Security Administration's List of Compassionate Allowances Conditions; and such blindness or disability occurred before age 26. You should have a record of the doctor's signed diagnosis, a benefits verification letter from the Social Security Administration or other relevant documentation for account verification, as needed.

## **Do I have to prove that withdrawals are for qualified disability expenses?**

Not at the time of the withdrawal. Annually, NC ABLE will report the total amount of your withdrawals to the IRS and the date and amount of each of your withdrawals to the Social Security Administration. In the event that either entity wants to verify the expenses, it's recommended that you keep detailed records.

## **Can I have more than one NC ABLE account?**

No. You're limited to one ABLE account, except in the case of a rollover from another qualified ABLE program. This extends beyond NC ABLE to include accounts in other ABLE programs.

In the case of a rollover to an ABLE account for the same account owner, the account from which the funds are withdrawn must be closed within 60 days of the withdrawal.

## **Can friends and family make contributions into my account?**

Absolutely. Anyone can contribute directly to your NC ABLE account. No matter who contributes, you, the account owner or authorized individual, retain control over the account. With the easy-to-use Ugift feature, anyone can contribute to your account.

## **How often can I change my investments?**

Twice per calendar year. You can change your investment options for any NEW contributions at any time.
